

87th AP Reunion 11-14 Aug

Hello Everyone,

We are planning these tours and outings for the reunion. **On Friday**, we will tour the GE On-Wing support facility. This is a Jet engine repair shop just a mile away from the hotel. GE repairs Jet engines and may have GENx, GE90 and CF6 engines.

Next we will enjoy a afternoon B&B River Boat cruise on the Ohio river. We can board from 11 am till noon. Then we will enjoy a buffet lunch and a 2 hour cruise.

We will then head over to the **Haufbrau Haus** for dinner. You can enjoy Germany food, appetizers and hearty rounds of bier.

Accordion players and chicken dance music will be on hand. You can then experience a stroll at the Newport Levee and the lights along the river.

On Saturday, we will have a tour of the Vent Haven Museum. This is a ventriloquism museum. **Who remembers Lamb chops?**

Something Good

"A feast for the ears..."

About Us

This close-knit group of ladies comes to you with **20 years** of singing to their credit. Something Good has performed the National Anthem for the last consecutive 17 years for the Dayton Dragons and for the past 16 years for the National League Cincinnati Reds. They have also sung for the semi-pro soccer team, the Cincinnati Kings as well as performing for the Wright Bros. Celebration of Flight. They performed over 30 additional singing engagements for local churches and organizations in the past year. Included in 2006, Something Good was a featured performance for the Eaton Bi-Centennial Celebration.

The group consists of local Preble Co. ladies who enjoy the challenge of dedicated practice and the harmonious blends that they bring to their audiences.

This band of singing sisters keeps busy in the summer singing special music for local churches in the absence of many choirs who take the summer months off. They travel to many local counties to perform. Something Good's musical specialties include old favorites from the 40's to the present modern ballads and spiritual music.

The Ladies sang and entertained us at our 2011 reunion. We look forward to having them return and sing the

Hits of the 60's.

Members of the group are:
